Heat & Smoke

There will be many churches/groups/hubs set on fire by the true and living God. The smoke is their compassion towards me and them offering themselves as a living sacrifice.

As my people learn to navigate the spiritual places, where I am seated, they will understand that I make pathways on deep waters. People have been striving to get places only my Spirit will take them.

Vision: I saw rocks on water. I heard "pathway," and I began to see the water was shallow, and then deep, but stones were placed on the water in which someone could step on and cross over. This is the supernatural intervention of God.

Submit & Resist

The word tells us to submit to God, resist the devil, and he will flee. One of these two is missing for many people. "They either submit to Me and forget to resist the devil, or resist the devil but fail to submit. It's time to submit and resist."

Vision: I see Jesus flipping tables.

Examine yourselves, what is first in your life. Many are distracted by life. "I need their focus. I need their attention. I'm not a part time God. What idols are in front of you? When things get stressful what do you do? Do you take time to listen to me, if not, there's something in the way. Remove what's in the way, this is called submission."

"I'm raising a remnant army, and these will be special forces, they are needed in this hour to carry the glory of the true and living God. They will walk through the fires and be purified. When there is great distraction and there is great despair who shall stand in this time, who will be able to withstand the days of darkness, who will call upon my name, say's the Lord. Who will be there waiting for Me? It will be my remnant, the ones I've been training for the past few years. I have called many but few have chosen me. Understand the urgency, now is the time to choose me, now is the time to walk with me

as Adam walked in the garden, to walk with me in the cool of the day, to walk with me as Enoch did.”

“Remnant of God, rise up with your armor, understand your assignment, access the wisdom that comes from the mind of Christ, and run after the things that have been placed before you in great faith, do not look behind you as I told Lot’s wife, do not do this. It’s time to look ahead, it is time to move forward, there is no excuse to remain stagnant, for I’m calling my people into the love chamber, to be filled with my Spirit to the fullest measure, and to walk in my glory.”

This is the time of decision. 2022, we must decide who we are and where we are going. Jesus said you are either with me or with Satan. No back and forth. No to and fro. This is the time to decide for the awakening is at hand and my army must be ready for the battle. It’s the valley of decision. Secular world says this is the fourth turning. Every 80 years there is a turning. God says it’s the great awakening
