

COVID-19 Thoughts

This is truly a time of the great revealing. It's the revealing of what's in our hearts. Now for my thoughts on the current situation and lockdown people are facing.

I don't believe Covid-19 was created and caused by God to judge everyone and kill people (as some have said). I do believe that Satan has had his hand in the virus and is the author behind it. No matter how the virus came to be (which is highly likely it was created in a lab in China as biological warfare), there is a spiritual enemy behind it. John 10:10 says the devil comes to steal, kill, and destroy, but Jesus came to give us life more abundantly.

That said, when people and nations reject the word of God and abandon his ways, his hedge of protection pulls back as we are handed over to our hearts desires. What I mean is the virus wasn't caused by God but it's being allowed because of choices of entire nations. Look at your own country and see if you can pin-point anything in your culture that directly violates the word of God.

What does my great and ALMIGHTY God do? He raises a standard against the enemy when we examine ourselves and repent. God will surely heal our land and provide a cure as his people consecrate themselves to him. We will surely rest in the shadow of the almighty. If someone is sick it's Gods will to heal them and change their hearts through his loving kindness.

"So, shall they fear the name of the Lord from the west, and his glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him. "Isaiah 59:19 KJV

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will

forgive their sin, and will heal their land. Now mine eyes shall be open, and mine ears attend unto the prayer that is made in this place. For now, have I chosen and sanctified this house, that my name may be there forever: and mine eyes and mine heart shall be there perpetually.”

2 Chronicles 7:14-16 KJV

With all this in mind, this is a time to be filled up with genuine love and then pour out. You may need to lock yourself up and get alone with God and deal with what's in your heart first. After you are filled up then pour out unto others. Recognize not everyone will do as you think they should. The key is to be led by the Holy Spirit. Some feel the need to stay in and not have any contact at all while others are being led to heal the sick and raise the dead. These are the two extremes and there are also those in the middle. I think it's important to gather as believers and worship God. I think it would be so awesome if churches set up small groups of 10 or less and had church members meeting in homes (and some are). At the same time if a church is solely online, and doesn't want to be around others, be so ever thankful that we have the technology to do that. God is moving regardless. God is good all the time. God is restoring and so much positive is going on. Don't feel condemned for doing something differently but also don't judge the ones out healing the sick.
